

AESTHETIC SURGERY: IN-DEPTH WITH THE MASTERS
MARCH 21-22, 2009
RANCHO MIRAGE, CALIFORNIA

Educational Goals

In this quintessential symposium, plastic surgery masters will speak in depth on the topic of their expertise. Each speaker will be allocated sufficient time to discuss his philosophies and surgical techniques in detail. Additionally, there will be ample time allotted for questions and answers. The experts will share their most recent thoughts pertaining to their assigned topic with the audience using videos, complemented by a large number of patient examples.

Program Chairman

Bahman Guyuron, MD
