PRELIMINARY PROGRAM

AMERICAN ASSOCIATION OF PLASTIC SURGEONS

84TH ANNUAL MEETING
HYATT REGENCY AT GAINEY RANCH

MAY 8 - 11, 2005
SCOTTSDALE, ARIZONA

Dear AAPS Member:

Please join us for the 84th Annual Meeting of the American Association of Plastic Surgeons in Scottsdale, Arizona. This year's meeting will be held at the Hyatt Regency at Gainey Ranch, May 8-11.

The scientific program, under the direction of Dr. Michael Miller, should be outstanding. This year the Program Committee received a significantly increased number of abstracts compared to previous years; the selection process was highly competitive. The program will also include several interesting scientific panels, a history panel and other exciting speakers.

The Local Arrangements Committee, chaired by Dr. Paul Schnur, is planning a number of activities to take advantage of the warm climate and resort setting. The hotel has first class facilities for swimming, tennis, golf and other outdoor activities.

Please encourage your colleagues and friends to join us for this great meeting. We look forward to seeing you in Arizona in May.

Sincerely yours,

Robert. L. Ruberg, MD
President

Dear Association Members and Guests;

As your local hosts, we would like to welcome you to Scottsdale, Arizona for the 2005 annual meeting of the American Association of Plastic Surgeons. The Hyatt Regency at Gainey Ranch has been selected as the host resort and we think you will agree it is an excellent choice.

May is a pleasant month to visit Scottsdale and the Sonoran Desert of southern Arizona.

The Hyatt has all the amenities of an outstanding destination resort. On site is golfing, swimming, tennis, spa services and outstanding restaurants providing a chance to relax. Nearby is world class shopping for clothes and western and Native American arts and crafts. Scottsdale Fashion Square is a short drive from the hotel. Old Town Scottsdale has many galleries with interesting types of art. The Heard Museum, the quintessential Native American museum, is in downtown Phoenix, a short drive from the resort. There are many unusual and outstanding restaurants in Scottsdale and adjacent Phoenix.

The Sonoran Desert is accessible by jeep tours, hiking, mountain biking and hot air ballooning, all close to the Hyatt. The world renowned Sedona Red Rock Country and the Grand Canyon are a several hour drive from Scottsdale.

We suggest that you rent a car while in Scottsdale. There is ample free parking at the Hyatt.

If there is anything that we can do to make your stay more enjoyable, please feel free to contact us at 480-443-8201 or schnur.paul@mayo.edu.

Sincerely,

Paul & Barbara Schnur — *Chair, Local Arrangement Committee, 2005*

PURPOSE AND CONTENT

The overall educational objective for the Annual Meeting of the American Association of Plastic Surgeons is to disseminate current and advanced knowledge in the field of plastic and reconstructive surgery among professionals who are involved in this specialty. This knowledge will be conveyed through structured scientific presentations and discussions of papers that contain original information and/or long-term follow up of sound basic principles in plastic and reconstructive surgery. The panel sessions will be "Plastic Surgery Research- Foundation for the Future" chaired by Dr. Michael Miller and "Multidisciplinary Cancer Treatment- Expanding Opportunities" chaired by Dr. David Larson. This year's AACPS panel is titled "Financing Academic Plastic Surgery Residencies" chaired by Dr. Tom Stevenson.

Since the meeting is attended by members of the Association and specially invited guests, ample time has been allocated for each academic presentation to allow full discussion by all professionals who wish to contribute to the educational objectives of our meeting. The overall objective of the educational format is to maximize information sharing so that patients may benefit from the practice of plastic and reconstructive surgery.
